***Hymn #344**

Grace Greater than Our Sin

Call to Confession

In Unison

God of all creation, you loved us into being, yet we often flee our rightful place in your creation. We confess that we exploit the gifts you place around us and dominate the richness of the natural order. Forgive our greedy grasping. We confess our part in the devastation of your creation, mirrored in the violence of cities, and the brokenness of hearts. Forgive and restore us, O God. Remind us, nurturing God, of other ways to live and of a place called home, where creation reflects your goodness and each thing lives in balance with all others. Speak to us this day, redeem us, and touch our hearts. Amen.

Assurance of Pardon

All: Thanks be to God!
